

## **Preferred eventgallery 910Arts Caterers**

We are pleased to offer you the following list of Preferred eventgallery 910Arts Caterers.

While you are welcome to use any caterer of your choice, the company you choose must supply us with a copy of a current Colorado Catering License and Liquor License. If you choose a caterer who has never before worked at the eventgallery 910Arts, we advise you to arrange a time for a walk-through, so your caterer can see the space, determine appropriate layout, learn about set up and breakdown requirements and see the catering kitchen. Please contact us or ask your caterer to contact us at 303-815-1779 to set a time for a site visit.

Complete catering rules are posted in the catering kitchen and can be mailed or emailed to your caterer.
